## HELPFUL HINTS

### STOP A BAD DAY IN IT's TRACKS

You know those days. The days where the kids are cranky and push your buttons. When you feel this happening, try these ideas to regain control of the situation and salvage the day:

- Put some soft music and encourage everyone to relax
- Give your child a warm bath
- Turn of the television and turn down the lights
- Find a quite corner and sit down to read a book with your child
